2008 Stream Lite M-29QBH by Gulfstream, weighs only 5,670 lbs and can sleep up to ten. A rear quad bunk room that features a wardrobe. An added feature to this bunk room is an entry way that allows you to fold one of the bunks and store bicycles and such. The private bathroom offers a tub/shower combo, vanity with storage, medicine cabinet, and of course, a toilet. A booth dinette and jack knife style sofa are located in the main slide. Both can be transformed in to beds. All the essentials of home can be found in the kitchen. Here a three burner gas range, convection microwave oven, and a gas/electric Dometic refrigerator. The front master bedroom offers a walk-around queen bed with under bed storage, dual wardrobes, bed side night stand, and overhead cabinets. Lots of storage spaces. The Stream Lite 29QBH also features a fully ducted AC system and auto ignition ducted furnace. Linoleum flooring is found through-out the entire coach. This Gulf Stream RV is ready to go camping.
